

SCRIP FAQ

What is SCRIP?

SCRIP cards are used just like regular gift cards. You purchase the gift card for the specified amount and pay the regular cost of the gift card. The great thing about SCRIP is that the Cleveland PTA earns a profit on your purchase. Each merchant has a designated percentage of profit earned by the PTA.

How do I order SCRIP?

An order form will be sent home **monthly**. Fill out this form and return to school with your child. Remember to fill in the section completely in case questions arise.

How do I get my order?

You can pick your order up in the front lobby on the specified date, or your order can be sent home with your child. If your order is to be sent home with your child, you must fill in the section regarding delivery on the order form.

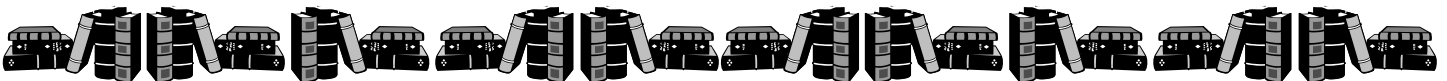

Where can I find information regarding SCRIP Merchants and terms?

The order form includes merchants that are local as well as national merchants. You can access information regarding terms and conditions of each SCRIP merchant on the GLSCRIP company website:

What are the proceeds from the SCRIP program used for?

At the end of the year, the PTA votes on what to do with the proceeds. In the past, teachers have received SCRIP to offset their classroom expenses and students have received a treats at the end of the year.
