

Cedar Rapids Community Schools Food and Nutrition Online Options

Free and Reduced Meal Application 2016-17

If any family member receives food assistance or FIP your students may already be approved for free meals based on your participation in these federal/state programs. Watch for a notification from Cedar Rapids Schools that your student(s) have already been approved based on this participation. If you receive this notification, no further action is required. If a meal application is necessary it may be completed online.

For Private, Secure and Fast Processing

Apply Online for Meal Benefits!

www.lunchapp.com

If a paper meal benefit application is preferred please contact your student's school. Only one application is required per household.

You can access your student's meal account balance, account history, and make account deposits through the Internet using SendMoneyToSchool.com.

Your child's six digit District ID number will allow you to access this feature. If you are unsure of the number, please contact your school or the Food & Nutrition Office at 558-2305.

Visa, MasterCard and Discover credit cards are accepted for Lunch Deposit payment. A bank handling fee of \$1.50 per transaction will be assessed when depositing funds. There is no fee to access the balance and account history. Please note that the Cedar Rapids Community School District does not profit from this service.
