We have many volunteer opportunities at Cleveland. Some are on a weekly basis and others are one-time events such as helping with gymnastics in gym class or going on a field trip with your child's class. Whatever the event... we need your help! We average around 200 total volunteers in one single school year... please join us! We are always looking for new volunteers and would love to meet you. Please fill out the form below if you are interested in any way in helping out at Cleveland.
